B. INSTRUCTIONS TO BIDDERS FOR BID SUBMISSION ON MSTC PORTAL: -

Bidders are requested to read these instructions and terms & conditions before submitting their Bids in online e tender.

CMDC shall be floating an e-tender to carry out the entire tendering process for awarding the contract for Hiring of Equipment for excavation, transportation, and delivery of Bauxite ore at the Delivery Point in Uranga-Barima Bauxite Ore Mine, Surguja district, Chhattisgarh India. This tender shall comprise of two stages. The details of tendering procedure & its two stages are described hereunder.

I. Stage-I Bid Submission (e-tender): -

(a) The Bidder, after logging in to the above stated website, will have to click on the link “**Bid Floor.**” Thereafter the Bidder must click on “**MSTC Limited Services**” and then on the e-tender number.

This stage will comprise of Two Cover Bidding system whereby Documents shall be uploaded against the following heads:

(b) Upload documents: -

The Bidder shall have to upload the supporting documents with respect to the **Technical Bid & Price Bid** (as the case may be) as required under the Bidding Document. These supporting documents will need to be uploaded in **pdf** format only. Files in formats other than pdf shall not be accepted.

Process: The Bidder shall first have to click on the link “**My Documents**” available under the tab “**Events**”. The Bidder will have to fill in the document title with suitable nomenclature and upload the documents. Once the documents have been uploaded, it can be viewed in the Uploaded Document List. The uploaded files then need to be attached using the link “**Attach Doc**” in the appropriate e-Tender number in the appropriate covers.

NOTE: The bidders shall ensure that appropriate documents are attached against appropriate covers. In the event of no documents attached against the tender then the bid is liable to be rejected at the discretion of the Buyer. The bidders shall opt for “I have no documents to attach for this event” only when no document is required for the tender.

To attach the files in support of its **Technical Bid & Price Bid** (as the case may be) are as follows:

(i) **“Technical Cover”** for attaching Techno-commercial Bid documents. Under this option, all Technical and Commercial (as the case may be) along with supporting documents as per requirement of bidding documents need to be uploaded.

(ii) **“Price Cover”** for attaching documents in support of Price Bid (if required). Under this option, all supporting documents in support of its Price Bid i.e. Price related attachments/documents/information, as per requirement of bidding documents need to be uploaded.

(c) Price Bid: -

Bidders need to first download the excel file and fill the applicable cells. For uploading, the **“Browse”** link is to be used to select the excel file and **“Upload And Save Encrypt File”** link is to be used to save the Price.

Note: No change in the excel format/file name is to be made while uploading the file.

Or

Bidders shall fill the required field in the webpage and submit their quote.

The Bidder can edit such data as many times as it wishes till the final submission is made by clicking the **“Final Submission”** button.

The final submission of Technical Bid and Price Bid shall be digitally signed by the Bidder using the digital signature, which was used at the time of registration. Any Digital Signature Certificate (DSC) other than the above shall not be acceptable for Bid submission by the system.

The Bidder may note that the “Final Submission” button for Technical bid and Price Bid is common and will be activated only after Technical bid and Price Bid have been saved.

The Bidder should also note that a Bid will be considered as submitted if and only if the Bidder has clicked on the “Final Submission” button. It may be noted that the bids of such bidders who have not clicked on the “Final Submission” button after saving of Common Terms (Technical & Commercial bid) and Price Bid will not come up on MSTC’s portal for opening/further processing. Only such Bids will come up on MSTC’s portal for opening/further processing which have been finally submitted.

Upon successful final submission, the Bidder shall receive a Bid acknowledgement from the system automatically.

The Bidders may note that the Technical bid and Price Bid submitted online as above will be encrypted by the MSTC’s own software before storage in the database. This will be done to protect the sanctity and confidentiality of the Bids before the actual opening of the same.

About Digital Signature Certificate (DSC)

A Bidder shall be required to possess a valid **Class III Digital Signature Certificate (DSC)** of **Signing and Encryption** type to be able to submit its Bid and to participate in the electronic reverse auction on MSTC’s website. For this purpose, Bidders shall be required to authorize its Authorized Signatory to procure a class III DSC of signing and encryption type from any Certifying authority or their authorized agencies in India.

The Bidder may note that only one User ID will be mapped with a given DSC for the Authorized Representative. DSC once mapped with a particular User ID of a Bidder will normally not be changed and therefore Bidders are advised to carefully select the DSC before mapping.

The Digital Signature Certificate will be used to digitally sign and encrypt the Bids that the Bidder will submit online.

It will be the sole responsibility of the Bidder and its respective Authorized Representative to maintain the secrecy of the password for the Digital Signature Certificate. The Bidder and its contact person shall be solely responsible for any misuse of the DSC and no complain / representation in this regard shall be entertained at any stage by MSTC Limited / Nominated Authority.

Delete / Modification of Bid

If after final submission of Bid and before the scheduled closing time for Bid submission a Bidder wishes to make changes in its Bid, it can do so by clicking the "Delete Bid" option. By doing so, the entire Bid submitted by the Bidder will get deleted. A system generated email will be sent to the Bidder acknowledging the deletion. The Bidder will be able to save and submit its new Bid again. If a Bidder deletes its Bid and does not submit its new Bid in the same manner as stated above, its Bid will not come up for opening or further processing.

The Bidders shall also note that online submission of Common Terms (Technical & Commercial bid) and Price Bid with supporting documents and offline submission of EMD/ Bid security in the form of Bank Guarantee/Demand Draft, Power of Attorney, Deeds of Joint Undertaking (if applicable) and Pre Contract Integrity Pact, all in original, at Corporate office, shall be allowed only up to Closing date & time, as specified in the bidding schedule in NIT. Bidders in their own interest are advised to complete the entire process well in advance to avoid any last-minute hiccup / technical problems. No complaints shall be entertained in this regard at any stage.

II. Stage-II Bid Submission (Reverse Bidding/Reverse Auction)

After opening of Price Bids of qualified bidders whose Techno-commercial bids are found responsive as per Owner's requirement, Online Reverse bidding/Reverse Auction shall be conducted by the owner under Stage-II. Online Reverse bidding procedure shall be as described below: -

(a) Procedure of Reverse Bidding/Reverse Auction

- All Bidders have to submit their Price bid in Cover-2 on the website of MSTC during the stage-I of tender process.
- The lowest quotation of "Price bid" received during the stage-I of tender process will serve as the opening price (ceiling price) for Reverse Bidding/Reverse Auction round of the tender process.
- Bid decrement value shall be approximately Rs 01(One) of the L1 cost or its integral multiple.
- Bidders, by offering a price equal to or lower than the "Next Valid Bid can become "L1" Bidder, and this continues as an iterative process.

(b) Schedule for Reverse Bidding/Reverse Auction

The Reverse Bidding shall be as per the following timings; however, the schedule will be communicated later:

Online Reverse Bidding/Reverse Auction

- Start Time: To be intimated to shortlisted bidders.
- End Time:

Bidding extension time: If a valid Bid is placed within 10 minutes of End Time of the Reverse Bidding, then Reverse Bidding duration shall get automatically extended for another 10 minutes from the existing end time. It may be noted that the auto-extension will take place only if a valid Bid comes in those last 10 minutes. If a Bid does not get accepted as the lowest bid, the auto-extension will not take place even if that Bid might have come in the last 10 minutes. The above process will continue till no Bid is received in last 10 minutes which shall mark the completion of Reverse Bidding. However, Bidders are advised not to wait till the last moment to enter their Bid to avoid complications related to internet connectivity, their network problems, system crash down, power failure etc.

- III. CMDC shall not be responsible in any way for delay/difficulties/ inaccessibility of the downloading facility from the MSTC website for any reason whatsoever.
- IV. Bidders are requested to visit MSTC e-tendering website regularly for any clarifications and /or due date extension updates.
- V. Bidders must positively complete online tendering procedure within time.
